

BEACHLANDS INTERMEDIATE

Wednesday 9 February 2011

Dear Parents and Caregivers,

Intermediate Swimming

Intermediate Swimming Sports are **Friday 18th February** starting in the middle block at 10:40am. The purpose of the event is to select the team for the ECCS Swimming Sports. Students who are swimming will need to be organised with their togs and towels. We are asking all students to support their house on the day by dressing in their house colours. Parents are welcome to attend.

This year the Intermediate will again run their swimming sessions at **Shelly Bay Beach**. As we live in a coastal community we believe that learning to swim in the sea will be a great benefit to the students. We have entered the Swim for Life Challenge which involves students completing a range of skills and completing a passport- the final skill is a 200metre swim.

To be able to swim at the beach we need to have an adult to child ratio of 1:4. This means that each classroom needs 7 parent helpers to supervise the students. We have worked out a timetable that ties in with the tides and are hoping that the fine weather continues. Parents are only being asked to supervise- if you are able and willing to help coach swimming please let me know.

Please note that this timetable will only go ahead if we have enough parents- we will send home a final timetable as soon as possible.

If you are able to help with any of the dates below could you please return the slip to your child's class teacher by **Monday 14th February**.

Kind Regards

Barbara Dinnissen
Associate Principal
