

Beachlands School BYOD Agreement for Student Owned Devices

I am happy for my child to bring a digital device to school for use in the classroom learning programme, based upon the following conditions:

- All devices brought to school are my child's responsibility and the insurance for the device is my responsibility.
- That teachers will provide a locked space in which my child may place their device when not in use. If my child does not use this facility, then the school holds no responsibility for any loss or damage which might occur.
- All devices must arrive at school fully charged each day and loaded with the required applications.
- Devices are only to be used under teacher supervision and time will be limited to 20 minute sessions at a time.
- Devices brought to school are only for the use of my child.
- Students will not download any applications without teacher permission while using the school network.
- Students will not use any 3G or 4G enabled device while at Beachlands School.
- I give permission for my child's teacher and other school staff members to check my child's device and to adjust settings to enable it to connect to our school wireless network (if applicable).
- Rules, including the [cyber-safety policies](#), governing the use of any school-owned digital device will apply to student-owned devices, while they are at school, including adherence to the Copyright act.

We understand and agree to the above conditions.
