

# School Stream Instructions

## Downloading the App

How to get the School Stream app on your mobile device

1. From your mobile device go to The **App Store (iPhone/iPad)** or **Google Play (Android)**, search for **School Stream** and download the app to your phone
2. Once School Stream has finished installing, open the app, type your school name into the search **THEN** select your school
3. If you are prompted to accept push notifications, you will need to select OK

[Detailed Instructions](#) | [Troubleshooting](#)

**Parents with children enrolled in different schools can switch between schools using the one app.** Got children attending different schools? Don't worry, School Stream caters for multiple schools from within the app itself. Jump between your children's schools with the touch of a button.

## Log in or Create an Account

To log in or create an account, follow the steps below:

1. If this is your first time using the app, you will have a screen to search for your School Profile. Search your School Name and add your School from the dropdown options. **(If you have already added your School, skip this step).**
2. Tap the menu icon at the top left of the App.
3. From the menu, select the top option 'Log in or create account'.
4. You will need to accept our Privacy Policy to create an account. If you accept the Privacy Policy, tap 'I Agree'.
5. Choose to login via Email, Phone or Facebook.
6. Enter the required details and select 'Get Code' **(Facebook login skips this step).**
7. We will send you a code via either Phone or Email, depending on your login option. Enter this code into the App. **(Facebook login skips this step).**
8. That's it! You're logged in, simply tap 'Continue' to start using the App.
